ARISA Pilot Student Evaluation Questionnare

Fields marked with * are mandatory.

Introduction

This survey is addressed to all learners that have taken part to AI-related courses promoted by the ARISA (https://aiskills.eu/) project in your learning institution. By answering this survey and assessing your learning experience, you will help us improving the ARISA AI- related learning materials and curricula. The survey is anonymous and it will take no more than 10 minutes to reply. Thanks in advance for your valuable contribution!

General Information

*Name of the institution providing the course:

UNIR, Universidad Internacional de la Rioja

*Course title:

Ciencia de Datos para Ingenieros y Economistas en Python

*Course Language:

Spanish

Trainers' names:

Enrique Frías

About you

*Gender:

Section 4: Overall experience

Please rate your overall experience in the course (1 "Strongly Disagree" and 5 "Strongly Agree")

	1	2	3	4	5
*Overall, I am very satisfied with the course	0	0	0	0	
*I will recommend this course to other fellow students	0	0	0	0	
*This course has contributed significantly to my professional development	0	0	0		0
*The knowledge, skills and competences that I have acquired in this course are relevant to my study and/or professional career	0	0	0		

Which topic(s) would	d you have liked	d additional or fo	ollow-up content for?
----------------------	------------------	--------------------	-----------------------

What aspect of the course do you think could be improved, and how?

Add some short exercises or very short questions each class for students to do at their leisure, just to keep them sharpened in theory and practice for the next class.

Thank you!

Thank you for taking the time to complete this evaluation questionnaire. Your feedback is greatly appreciated!
